

Blood Covenant Decrees

Destroying Evil Covenants — Part 1

1. By the blood of Jesus, my covenant with death is disannulled and my agreement with hell shall not stand.
2. Holy Spirit, fight every covenant I cannot remember — disconnect me tonight.
3. I cancel every covenant of death, sorrow, tears, poverty, and disappointment by the blood.
4. I take back all the ground given to Satan by my ancestors, in the name of Jesus.
5. The blood of Jesus cleanses my body, my womb, my marriage, and my finances.
6. I release myself and my generation from every inherited bondage and captivity.
7. Peace replaces my fear; joy replaces my sorrow; my testimony shall manifest speedily.
8. I am covered with the blood; angels surround me, and no evil comes near my dwelling.
