Understanding & Breaking Evil Covenants — Part 2

THE CORE WORD

Evil covenants are ungodly agreements that give the enemy legal access to our lives and pass down the bloodline from generation to generation. They do not die unless we agree to break them — so by the anointing oil and the blood of Jesus, we cancel every covenant tonight and walk free.

FIVE KEY TRUTHS

- 1 Covenants pass through the bloodline. What our ancestors or parents agreed to descends to us and to our children — like Noah's rainbow, a covenant still binding generations later.
- 2 You must agree to break them. A covenant is an agreement; it does not die unless somebody breaks it. We must consciously renounce, reject, and cancel it.
- 3 The anointing oil and the blood work together. The oil represents the Spirit of the Lord; the blood is the new covenant. Together they quicken our bodies and cancel what was planted in us.
- 4 Soul ties form through sex and past unions. Words spoken and acts shared with boyfriends, husbands, and ex-partners create bonds and monitoring spirits that must be severed.
- 5 Freedom is generational. When you break the covenant you free not only yourself but your children, your marriage, your finances, and your favor.
