

The Storm Is Over

WARFARE PROPHETIC DECLARATIONS

1. I decree the storm is over — over my life, my home, and my destiny.
2. Even now, whatsoever I ask of God, God shall give it me.
3. Peace, be still — every raging wind contrary to my destiny ceases now.
4. My boat shall not sink; I shall cross to the other side.
5. Faith over fear — for the Lord my God is with me.
6. Every satanic storm is reversed and silenced by the fire of God.
7. The God who calmed the sea will calm every battle around me.
8. I am an overcomer; the storm is over — even now.
