He covered and protected us with His feathers in the mighty name of Jesus. I want us to open to Psalm chapter forty-four. Beloved, we're gonna read from verse one to eight. Open to that scripture for us tonight in the mighty name of Jesus.

Unmute your mics, and let's read the scriptures together in thanksgiving unto the Lord in the mighty name of Jesus. Let's go everybody, unmute your mics.

And the word of the Lord says, "We have heard with our ears" We have heard with our ears "Oh God" Oh God What work thou didst in thy days, in the times of old. How thou didst destroy the heathen with thy hand, and planted them. How thou didst afflict the people and cast them out. For they got not the land in possession by their own sword, neither did their own arm save them. But thy right hand, and thy arm, and the light of thy countenance, because thou hadst a favor unto them.

Thou art my King, O God: command deliverances for Jacob. [in prayer] Do deeds in the name we inherit, yes, Father. That rise up against us. By the power of the Holy Ghost, we give God thanks. Beloved, we thank Him for the covering upon our lives.

We give Him thanks for protecting us from every danger, seen and unseen in our lives. We give Him thanks for preserving us, oh, on the road, at work, at home. We give Him thanks and praise- Thank you. for all that He's did in our lives and in our destiny. Beloved, this psalm that we just read remembers God's faithfulness in our lives.

From January to now, from the beginning of this month till now, we thank Him for victories that He has already given us. We trust Him for the present and for the future battles in our life. We give Him all the glory for every success, every breakthrough. We praise His name continuously for His goodness and His mercy. In Psalms chapter forty-four, verse one to eight, beloved, we give Him thanks.

It says, "For I will not trust in my bow, neither shall my sword save me. But thou hast saved us from our enemies, and hast put them to shame that hated us. In God we boast all the day long, and praise thy name forever." Beloved, our God is an awesome God. He is kind, He is tender-hearted, He is merciful in our lives and in our destiny. Our Father loves us with everlasting love, and He is always concerned about our welfare.

We give Him thanks. All that we need, He provides through Jesus Christ and the Holy Spirit for you and I. He has answered prayers in the morning. He has answered prayers in the afternoon. He has answered prayers in the evening.

That is why we're still here, and we're still battling through life because He sustains us. Beloved, we give Him thanks. We thank Him for all that He's done. By the power of the Holy Spirit, we thank Him from e- for every accident, every attack, every disaster He prevented in our life and in our destiny. Thank you, Jesus.

Repentance & Mercy

[in prayer] Amen. Beloved, we ask the Lord for forgiveness of our sins tonight in the mighty name of Jesus. We ask the Father to cleanse us of every unforgiveness in our life. As I tell you all the time, we're only humans, so there are some times that we fight. We have bitterness, we have anger- Jesus.

evil speaking, in the mighty name of Jesus, that hinders our testimonies and breakthrough. Mm. Mm. In Ephesians 4:31-32, the word of the Lord says, "Let all bitterness and wrath and anger and calm and evil speaking be put away from you." It says, "With all malice and be ye kind one to another." He says, "Be tenderhearted, forgiving one another, even as God for Christ's sakes has forgiven you." So as we've come to the Lord, yes, we might have gotten angry. We might have spoken negatively even with our small children at home.

We might have spoken negatively in anger. The Lord says when you come into His presence, put all those evil speaking, those bitterness, the wrath, the anger that you had before, put all those things behind you. Jesus. Ask for forgiveness and cleansing in the mighty name of Jesus. It says in Psalm 51:1-4, He says, "Have mercy upon me- Yes.

O God, according to thy loving kindness." He said, "According unto the multitude of thy tender mercy" He says, " brought out my transgressions and wash me thoroughly from my iniquities, and cleanse me from my sin. For I acknowledge my transgressions, and my sin is ever before me." He says, "Against thee only, have I sinned, and done this evil in thy sight." He says, "That thou mightest be justified when thou speakest and declare when thou judgest." Beloved, we ask the Lord for forgiveness of every sin tonight in the mighty name of Jesus. Every sin of anger, every sin of evil speaking. However way we have sinned against the Lord, tonight we ask for forgiveness of our sins in the mighty name of Jesus. Jesus, Father God.

Because sin creates separation between us and our God. Jesus. We ask your mercy to restore access- Jesus. in the mighty name of Jesus. Unmute your mighty and begin to act.

Father, in the mighty name of Jesus. Purify my heart. Remove every sin of sin from my life, oh God. Lord, have mercy upon me, oh God, because we have come to you for help. And we have come to obtain mercy because we need mercy.

We plead for mercy. We plead for mercy. Father, we know that you are a merciful God. In the mighty name of Jesus, we come claiming forgiveness and repentance from all our sins. Forgive me, oh God, for every sin that I've sinned.

Oh Lord, the ones that I did, the ones I didn't know I have sinned. Cleanse me completely, oh God. Cleanse me completely, oh God. Cleanse me completely, oh God. Cleanse me completely, oh God.

Lord, have mercy on me, oh God. Forgive my iniquity. Thank you, Father. In the name of Jesus. Have mercy, oh Lord, have mercy on me.

Have mercy, oh Lord. Blot out every transgression, oh God. Have mercy on me. Remove sin away from me, oh God. Father, forgive me, oh Lord.

Let all the new wrath, any anger that I have, any bitterness in my heart. Create in me a clean heart, oh God, and renew a right spirit within me, oh Lord. Let no sin stand against me, oh God. My failure tonight, my fatigue tonight, my testimonies tonight. Let no accusation of the enemy prevail against me or my destiny tonight, oh God.

Let the power of mercy, let the blood wash over me. Let the blood of Jesus Christ of Nazareth purify me, oh God. Purify my mind and my heart, oh God. I come across again. Let the power of sacrifice wash over me, oh God.

Sanctify my repentance, oh God. Let it be perfect tonight. Let your mercy wash over my sadness, oh God. I come across again, oh God. Let every bitterness in me be consumed by your fire.[in prayer] By the blood of Father, I am cleansed tonight.

Every sin and pain, oh God, is washed away tonight. The mercy of God will speak over me tonight. No accusation of the wicked, oh Lord, will damnation my day, Lord, tonight. We receive complete deliverance and restoration, oh Lord. Let there come restoration, oh Lord.

Inviting the Holy Ghost

[in prayer] God, our victory. We stand sanctified by the blood. Every spirit of pride from tonight [in prayer] Oh, thank you, sweet Spirit of God. Before we begin prayers tonight over this storm, beloved, we invite the Holy Ghost. We invite His presence and His fire in the mighty name of Jesus to surround us tonight, to lead us tonight by the power of the Holy Ghost.

It says, "Likewise, the Spirit also helps our infirmities." Yes. In the mighty name of Jesus. For we don't know what to pray. He makes intercession for us through moanings and groanings, words that cannot be expressed. Romans 8:26, the Word of the Lord says.

We invite the Holy Ghost, in the mighty name of Jesus, to lead us in our prayers. In Ezekiel 36:27, "And I will put my spirit within you." And He says, "I will cause you to walk in my statutes and be careful to obey my word." If we walk in the Lord's statutes, breakthrough, testimonies, miracles is our portion. We call upon the fire of the Holy Ghost to consume all the works of the enemy, to consume all the works of the devil in our lives, in the mighty name of Jesus, as we are moving forward with our prayers tonight. Mm-hmm. We call upon the Holy Ghost, in the mighty name of Jesus, to destroy, in the mighty name of Jesus, every assignment in the atmosphere that will hinder our prayers tonight.

We call upon the Holy Ghost- Mm-hmm. to take over, in the mighty name of Jesus- Mm-hmm. so that our prayers will become powerful. Our prayers will be accompanied with fire. Our tongues will turn to fire in the atmosphere and block and destroy any works of the devil, any enchantment, any spell in the atmosphere.

In the mighty name of Jesus, we call upon the Spirit of the Lord, the consuming fire, in the mighty name of Jesus Christ of the Lord. We call upon the Spirit of the Lord. In the name of Jesus, we welcome the Holy Spirit in this place to take full control over our atmosphere. We welcome the Holy Spirit in this place to lead us in the, in our prayers according to the will of God. We call upon the Holy Spirit in this place, in the mighty name of Jesus, to break through us, to bear authority and power.

We call upon the Holy Spirit in this place to let fire fill our atmosphere, not just in this room, but in our homes, in our workplace, wherever we are right now, to destroy every spiritual obstacle in our way of prayer. We scatter every form of assignment. In the mighty name of Jesus, we call the Holy Spirit [in prayer] Every satanic community that is against our deliverance, we call upon the Spirit of the Lord. Every yoke of heaviness, every yoke of silence, break every yoke of bitter resistance. Holy Ghost fire, we call upon your name.

Let every tower of monitoring and gathering that you've planted, let it be scattered by fire. Let the fire of the Holy Ghost consume every attack of the wicked, every hindrance, in the mighty name of Jesus. Open our ears tonight to every unholy system that is released over this atmosphere. Holy Ghost fire, empower our prayers. Empower us tonight.

Let the fire surround us. Holy Ghost fire [in prayer] Unmute and begin to speak your mouth. Allow the Holy Ghost to take control over your prayer, over your spirit. Your encounter, in the mighty name of Jesus. [in prayer] In the mighty name of Jesus, we give God thanks.

Hallelujah. By the power of the Holy Spirit. Yes, Lord. Thank you, Holy Spirit, for your presence in this place tonight in the mighty name of Jesus. Beloved, as we pray tonight, the storm is over.

The Storm — Mark 4

I want us to open to Mark chapter four. We're all gonna read from thirty-five to forty-one. Mark chapter four from thirty-five to forty-one. Open to that scripture in the mighty name of Jesus. Mark chapter four.

We're gonna read it together as a family from thirty-five to forty-one. Open to that scripture. The storm is over. I want us to open to that scripture. Open your Bibles and open to that scripture for me in the mighty name of Jesus.

Mark chapter four, verse thirty-five to forty-one. Open to that scripture. And if you are there, I want you to unmute your microphones. Mark chapter 4, verse 35 to 41. If you are there, unmute your microphones, and we're going to read it together as a family in the mighty name of Jesus.

Unmute your microphones, and let's read it together. Let's go, everybody. "And the word of the Lord saith, And the same day- And the same day. when the evening was come, he said unto them- He said unto them. Let us pass over unto the other side.

And when they had sent away the multitude, they took him even as he was in the ship. And there were also with him other little ships. And there arose a great storm of wind, and the waves beat into the ship, so that it was now full."And he was in a hinder part of the ship, asleep on a pillow. And they awoke him, and say unto him, "Master, carest thou not that we perish?" And he arose, and rebuked the wind, and said unto the sea, "Peace, be still." And the wind ceased, and there was a great calm. And he said unto them, "Why are ye so fearful?

How is it that ye have no faith?" And they feared exceedingly, and said one to another, "What manner of man is this, that even the wind and the sea obey him?" In the name of Jesus. Beloved, Jesus arose and rebuked the wind and spoke to the sea, saying, "Peace, be still." Immediately, the word of the Lord says, the wind stopped and there was a great calm. When Jesus asked his disciples, "Why are ye so fearful? How is it that ye have no faith?" The disciples were amazed and said to one another, "What manner of man is this, that even the wind and the sea obey him?" Beloved, Jesus has power over every storm in our life and in our destiny, both natural and physic-- and spiritual. Faith is stronger than fear, beloved.

God wants us to trust in him, even in the difficult situations in our life and in our destiny. Jesus presents the storm. Though he seems asleep, he was still there. Though he seems that he was not there, he was still there in the boat. He was still with the disciples.

Nothing is impossible for Christ to do for you and I. Even the wind and the sea, the word of the Lord says, obeyed his commands. Our trials reveals our faith. Storms often teaches us to depend on God, to be reliant on God, because without the storm, beloved, we will not open our mouth to call upon his name. Mm-hmm.

In John chapter sixteen, verse thirty-three, the word of the Lord says, "These things have I, have-- these things I have spoken unto you, that in me, ye have peace. In the world ye have tribulations. But be of

good cheer, I have overcome the world." Beloved, there are various storms that confronts people on a daily basis. They include marital storms. We have, we have financial storms.

We have ministry storms. We have health, health storms. It is storms in our businesses, storms in our academics, storms with the family, the marriage, storms with the children, storms with the mother, the father, storms with the sister, storms at the workplace. Gosh. These storms are often controlled by the power of the marine witchcraft, the power of darkness, the evil and his agents to cause our downfall.

Sometimes the storm in our life appears without a warning, and that is the dangerous part of the storm. The storms in our life comes at the times that we don't expect it. The storms just appear from nowhere. The storm just come. Either it comes through you, or it comes through your children.

It come through your husband. It come through your business. It come through your marriage. It comes and interfere with your peace. Jesus was in the boat with his disciples.

He was sleeping when, without warning, a furious storm came up on the lake so that the waves swept over the boat. In Matthew chapter eight, verse twenty-four: And, behold, there arose a great tempest in the sea, insomuch that the ship was covered with the waves. But he was asleep. In the midst of every storm, there are moments of calm and peace. God has given us dominion over all circumstances in our lives, over fear.

However, many cases, the devil does not want to release us- Oh, God, from his custody. But the Bible says there is nothing that is too difficult for our God to handle in our life and in our destiny. So whatever your storm is, rely on God. Whatever your storm is, even though it might seems quiet, even though it might seems like God is asleep, even though [in prayer] Some of you will say, "I've not, I've not experienced-That's my testimony. Go, beloved, know that God is there.

He will answer you. He will bring you out of every storm in the mighty name of Jesus Christ of Nazareth. What is your storm? What is the thing that you're facing right now? Is it a storm in your marriage?

Is it a storm with your child? Is it a storm in your health? Is it a storm? What is the storm? Is it depression?

What is the storm? Is it anxiety? What is the storm? God says, "What are your own storms of life?" Whatever may be, the power of God shall remove them from your life in the mighty name of Jesus Christ of Nazareth. Amen.

Storms Are Universal

In the Bible, beloved, Noah plowed favor before God. Jesus. But he later planted a vineyard that produced wine, and he got drunk and fell out with God. Beloved, drinking was Noah's storm. He did everything perfectly, but drinking was his storm.

Some of you, smoking is your storm when it comes to your salvation. Smoking. Some of you, lies is your storm when it comes to your salvation. Fornication might be your storm when it comes to your salvation. With Noah, it was drinking.

Drinking was his storm. He got so drunk that his son saw his nakedness and went to tell the other ones. The Bible also tells us the story of Joseph. Joseph had serious problems in his life. His brothers dealt with him in a bad way.

Yes, he was put in prison. However, it was from the prison that he got the throne. Every storm has a reason. The reason could be divine or satanic. The story of Jacob was another case study who faced a big storm in his life.

If you are, if you are a Bible reader in this room, you will agree with me that Job was a blameless. And the Bible said, "Um, an upright man, always careful to avoid doing evil." If we read Job 1:1, the word of the Lord says, "There was a man in the land of Uz whose name was Job, and that man was perfect and upright and one that feared God and eschewed evil." At a point, God allows Satan to commend Job to test his faith. But he forbids Satan to take Job's life in that process. Beloved, in Genesis, the Bible makes us to understand that Abraham certainly faced storms in his life also. A storm big enough to force a man to divorce his wife and make the home to suffer.

They could not have any children. He faced life full of struggles, lack, and famine, Abraham. But when God stepped into his marriage, it started with a wonderful moment of calmness in the midst of their storm. It says what? God visited Abraham.

In Genesis 21:1-2, the word of the Lord says, "And the Lord visited Sarah as he had said. And the Lord did for Sarah as he had spoken, for Sarah conceived and bore Abraham a son in his old age at the set time of which God had spoken unto him." The Lord was gracious to Sarah and did for Sarah what he had promised in Genesis 21:1. In addition, they had to wait a long time, but eventually, God's promise was fulfilled in their life and in their destiny. What are you going through? During the waiting period, the challenge is to keep on trusting God.

Are you trusting God in your challenges? Are you trusting God in your storm? Do you believe that things will change for you? Mm. Do you believe that God will come through for you?

Do you believe that situation, that document, do you believe that there will be a turnaround in your story? Do you believe in the prayer? Do you believe that your situation can change? The house you are looking for, you will get. Do you believe that the freedom-- Do you believe that God will do exceedingly, abundantly, and above all for you?

Sarah became pregnant and bore a son to Abraham in his old age at the very time God has promised them, beloved. In Genesis 21:6, the word of the Lord said, "And Sarah said, 'God has made me laugh.'"And all who hear will laugh with me. Your moment is about to change. Believe. Mm-hmm.

Believe that there will be a change in that storm. There will be a change in that trials, that tribulation. It was a moment of great joy in Sarah's life. God has brought laughter to her, and everyone that hears will laugh with her. Beloved, what is a storm?

A storm is a violent turbulence of the atmosphere with strong winds, usually rain, thunder, lightning, or snow. But spiritually, beloved, a storm represents a season of obstacle. Spiritually, a storm represents a season of difficulty, a season of setback, a season of poverty, a season of struggle in your life, a season

of trials and tribulations. Moments in our lives- Mm-hmm. that will cause a hindrance from us moving forward.

Have you got a storm right now in your life? Do you believe that God can change it? Type in the comment section, "I believe, I believe, I believe." Do you believe that God will give you a supernatural turnaround? Go into the comment section, begin to type, "I believe, I believe. I believe, I believe." Begin to prophesy into your storm.

Begin to prophesy into your storm. You believe there will be a change. You believe there's a change in your marriage. You believe there's a change in your life. You believe there's a change in your immigration case.

You believe there's a change in your story. You believe there's a change in your-- with your children. You believe there is a change in your business. You believe there is a change in your work. You believe there will be a change in your promotion.

You believe there is a change. Hey, beloved one, you are coming out of poverty. You are coming out of debt. You are coming out of sorrow. You are coming out of depression.

You are coming out of that sickness. You are coming out. You believe there will be a change. Begin to type it in the comment section. You believe, you believe.

You believe, yes. You believe there will be a change. Hallelujah, brother. Amen. You believe the change is coming.

You believe it, Sasake. You believe it, Hamake. You believe it. You believe it. You believe it.

You believe it. Be mercy gracious. You believe it. You believe it. You believe it.

Just type, "I believe it." I believe. I believe. You believe it. I believe. You believe it.

I believe. You believe it. I believe. You believe it. I believe.

You believe it. I believe. You believe it. I believe. This storm is over.

This storm is over. I believe, my God, I believe. You believe it. I believe, I believe. This storm is over.

This storm that was- I believe. that storm, that storm, that storm- Father God, oh, Father, oh, Father. it will be over. It will be over. Amen.

Beloved, I told you, this storm with the husband is over. This storm with the wife is over. Yes, Jesus. That storm with that document is over. You believe there's a supernatural turnaround in that storm.

That storm. Hallelujah. Beloved, to calm a storm of life means to resolve that storm, to overcome that storm, to take authority over that storm- Come on. to make a peaceful moment with that storm. This means that whatever you are facing in life, Jesus Christ has taken control over it for your supernatural breakthrough, for your supernatural transformation, for your supernatural turnaround by the power of the Holy Spirit.

You believe? Hallelujah. Do you believe? Unmute and say, "I believe, I believe, I believe." I believe. "I believe, I believe." I believe.

"I believe, I believe." I believe. By the power of the Holy Ghost. Say, "Dear God." I believe. Say, "Dear God." I believe. I believe.

I believe. I believe. I believe. We believe. I believe.

We believe. I believe. We believe. I believe. By the power of the Holy Ghost.

Satanic storm hitters you from getting results in your life. It is destined to happen to everyone i-in-in various degrees. Satanic storm, beloved, it does not give notice of arrival. We rebuke it. It has no respect for personality.

It has no respect for opinion. Hell, through it varies from one person to the other. It brings a helpless situation. It scatters a hope of men into pieces. It can be chaotic in your life.

It can be violent. Beloved, storms can be harsh. However, prepare yourself to calm the storm. You are in a high advantage to overcome this storm in the mighty name of Jesus Christ of Nazareth. Some of you are-- you have become discouraged.

Some, some of you are thinking that, "God, when are you going to answer this prayer?" Some of you are thinking, "God, it has been too long. Will my story change? Will this storm calm? When will I receive my supernatural turnaround?" Beloved, once a storm comes, immediately it arrests your goodness. It arrests your joy.

No matter how powerful the situation, the power of God is enough to deal with it permanently. In the mighty name of Jesus, it will rise no more. It will rise no more. WhenTo go to the other side. Matthew chapter eight, verse 18.

Beloved, the word of the Lord says, "Now when Jesus saw great multitude about him, he gave a command to depart unto the other side." In John chapter three, verse twenty-five, the word of the Lord says, "And, and neither not that any should testify of man, for he knew what was in man." He knew the storm was coming. He knew [in prayer]. He is an all-knowing God. The Lord God, in the name of Jesus, knew. In John chapter sixteen, verse thirty-three, the Lord never promised we would never see storms in our life.

As a matter of fact, he has told us to expect trouble. In John chapter sixteen, verse thirty-three, the word of the Lord says, "Hey, and these things have I spoken unto you, that in me you might have peace. In the world you have troubles, but be of good cheer. I have overcome the world. I have overcome the world.

I have overcome the problem. I have overcome the situation. I have overcome the tears. I have overcome the struggle. I am overcomer by the power of the Holy Ghost." He's the overcomer by the power of the Holy Ghost.

Do you believe? On mute and say, "I believe, I believe." I believe, I believe, I believe, in the mighty name of Jesus. By the power of the Holy Ghost. Beloved, rather, He has promised to be with us in the storm. That is His promise in our life.

Believe that He wi- He's with you in the storm. He will never leave His children alone. In the midst of trouble, in the midst of stagnation, in the midst of sorrow, with pre- with preservation, He is with you. You will overcome. You will overcome.

You Are an Overcomer

Listen, do you know that it's written on you that you are an overcomer? Amen. Listen, when you are in Christ, it's already written on your forehead, oh. It is your sign. It, it is your sign.

It is something that is with you. You are, in the spiritual world, that you are an overcomer. That is why the devil tests you. That is why the devil brings troubles and storms on your life. You are already a believer, so you are already an overcomer.

It, it, it is your label. It is your spiritual name. In the mighty name of Jesus. That is why the devil likes to test you with all kinds of storm. But because you're an overcomer, beloved, you are here today because you are an overcomer.

Hallelujah, amen. You are here today because you have overcome many storms since you were little. You have overcome many storms of the wicked. You have overcome many storms of witchcraft. You have overcome many storms.

Many have charged over your life. They didn't get you. That is why you are here. Amen, amen. In Deuteronomy chapter thirty-one, verse eight, the word of the Lord says, "And the Lord, He is that doeth go before you.

He will be with you. He will not fail you, neither forsake you." He says, "Fear not, neither be dismayed or be afraid. Don't be discouraged, for your Lord is with you. He's the one that goes before you. He's the one that is with you.

He will never fail you, by the power of the Holy Spirit." Beloved, in James chapter one, verse twelve, the word of the Lord says, "is the man that endures temptation, for when he is tired, he shall receive the crown of life, which the Lord has promised to them that love Him." Amen. Amen. When he is tried. Beloved, being a Christian does not exempt us from storms of life. It does not.

The fact that we are Christians do not isolate us from going through difficulties or difficult times. Not all storms are orchestrated by God. Obviously, devil and his agents also triggers our storms. The good news is that however, is among those that pass through storms in the Bible, like David, like Jonah, like Paul, like Daniel, Barnabas, Hannah. There is so many more I can mention.

Beloved, they came out of their storm. They were res- they were restored from their storm. God fought for them in their storm. They won their battles by the power of the Holy Ghost. You are God's own.

You will win your battles. Determine to cross to the other side. Say, "I will cross to the other side." I will cross to the other side. I will cross to the other side. I will cross to the other side.

Listen, get to the other side. You will make it to the other side of your life. You will see your level. You will see into your blessing. You will see into your, your favor.

You will make it into your riches. You will cross to the other side of this storm. This storm will not stay forever. You will. Somebody shout, "I will cross to the other side." I will cross to the other side.

I will cross to the other side. Determine to cross to the other side. I will cross to the other side. Direction, cross to the other side, in the mighty name of Jesus Christ of Nazareth. And again, you will cross to the other side.

Finish, you will cross to the other side. Amen. You will cross to the other side. You, you will cross to the other side. Finally, you will cross to the other side.

I cross. Yeah, you will cross to the other side. You will cross to the other side. You will cross to the other side. In the mighty name of Jesus, you and your family, you and your children, you will cross to the other side of this storm. Receive it now.

Do Not Fear, Do Not Worry

It will be your portion in the mighty name of Jesus. Amen. In Philippians 3:15, NLQ version, it says, "Let all who are spiritually mature agree on these things. If you disagree on some points, I believe God will make it plain to you." Do not worry. We call ourselves Christians, and still we are worried.

We are anxious over everything. Philippians 4:6-7, the word of the Lord says, it says, "Be careful for nothing. But in everything, by prayer and supplication, with thanksgiving, let your request be made known unto God. And the peace of God, which surpasses all understanding, shall keep your hearts and your minds through Jesus Christ of Nazareth." Beloved, in Matthew 6:25-34, the word of the Lord says, "Therefore, I say unto you, take no thoughts for your life. What ye shall eat or what ye shall drink.

Nor yet for your body. What ye shall put on is not the life more than meat, and the body than raiment." It says, "Behold, the fowl of the air, for they sow not, neither do they reap, nor gather into barns. Yes, your Heavenly Father feedeth them. Ah. Are ye not much more than they?" Are you not?

Are you not? Even the fowls in the sky, God says, they don't sow. They don't do anything. They don't sow. They don't reap.

But it's the Lord that looks after them. They don't gather barns. But yet the Heavenly Father feeds them. The God of the heavens take care of them. The Lord says, "How much more you?" How much?

How much more you? How much more you? How much more you, woman of God, you and your children? And I say, how much more you? How much more you?

How much more you? How much? How much more you and your family? Martha. How much more you and the children?

How much more you, Vanessa? The Lord says, "How much more you?" In the mighty name of Jesus. In Matthew 6:34, the Lord says, "Fear not." He says, "Take therefore no thoughts for the morrow. For the morrow shall take thoughts for the things of itself." He says, "Sufficeth unto the day is the evil thereof." And he says, "Don't worry about tomorrow, that tomorrow will take care of itself." You are, you are a Christians, and you are still afraid. When you have Jesus inside of you- Mm-hmm.

you do not need to fear. We have stopped glorifying the devil. We will glorify God. We will praise the Holy Spirit. In the mighty name of Jesus, our storms are over.

In Isaiah 41:10, it says, "Fear thou not, for I am with thee. Be not dismayed, for I am thy God. I will strengthen thee. Yeah, I will help thee. Yeah, I will uphold thee with my righteous right hand." Oh, in the mighty name of Jesus.

Yes, Jesus. Beloved, we must have faith. Do you have faith? Yes. Do you have faith?

On mute and say, "Yes, I have faith." Yes, declare it. I have faith. I have faith. I have faith. I have faith.

I can't hear you. I have faith. I can't hear you. I have faith. In the name of Jesus, I have faith.

We have to have faith. Amen. In Mark 4:40, "And he said unto them, 'Why are you so fearful? How is it that ye have no faith?'" In Mark 11:22-23, the word of the Lord says, "And Jesus answering said unto them, 'Have faith in God. For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be cast-- be thou cast into the sea; and shall not doubt in his heart--'I believe that these things which he said shall come to pass.

He shall have whatever he said. Always recognize Jesus as the storm destroyer in your life, and let faith be strong in the mighty name of Jesus. In Mark chapter four, verse forty-one, the word of the Lord says, "And they feared exceedingly and said one to another, 'What manner of man is this, that even the wind and the sea obey him?'" You know that? Know the God that you are worshiping. Know the God you are following.

Know the God that dwells in you in the name of Jesus. Have no doubt of his signs and wonders. Have no doubt of his miracle. It might seem quiet, it might seem like he's asleep, but the power of the Holy Ghost, we've woken up into our storm. He will calm the storms of our life in the mighty name of Jesus.

Praise and worship and confess. Repent from every unknown sin. Read and meditate on the word of the Lord regularly. In the mighty name of Jesus, always believe the situation is just for a temporal time. Don't allow the storm to force you to backslide.

Don't allow the storm- Amen. to force you into depression- Amen. into anxiety, into fear. In the name of Jesus, the Lord says to tell you, "Be strong, be strong, be strong, be courageous." In the mighty name of Jesus, believe that there will be a change. Believe that the storm is over.

Oh, God, Hallelujah. To the Lamb of God, to the Lamb of God who was slain. To the Lamb of God who was raised. To the Lamb of God who made me to be who I am To the Lion of Judah. To, oh, Jehovah.

To Jehovah Jireh. To Jehovah Tsidkenu. We give glory. We give honor. Oh God.

Oh God, God, God. Hallelujah, hallelujah, hallelujah. The highest praise belongs to You. The highest praise belongs to You. Hallelujah, yeah.

Hallelujah, hallelujah, yeah. Hallelujah, hallelujah, hallelujah, hallelujah. Oh God, oh God. Hallelujah. Oh God.

To the God seated high above powers and principalities. Oh God. Hallelujah. To the Captain of hosts. Oh God.

Hallelujah. You are holy. You are mighty. You are omnipotent. Yeah, You are omnipotent.

We won't stop praising You. We won't stop loving You. Forever and ever. Forever and ever. We won't stop praising You.

Reflections: The Cost & Recognizing Jesus

We won't stop loving You, Lord. Forever and ever. Forever and ever. I won't stop loving You, Lord. I won't stop praising- What is your view on the cost to follow God right now?

The cost of our own preferences and expectations, right? Mary went to look for Jesus, and she was weeping. She was expecting to see a corpse, so she could not recognize the living God. And I think sometimes for us, we have really distorted expectations. Even the things that we perceive as good, the Lord in heaven perceives as dead.

And so we'll never be able to see Jesus Christ when he shows up in the fullness. And so what happens when we misinterpret, misdiagnose, and call Jesus, the one who is the creator, the life-giver, rabbi, teacher, when we misdiagnose him as a gardener. So it's not that Jesus is not there, it's that I'm trying to relate to a Jesus that's not the fullness of who he is. I'm trying to relate with a Jesus that's gardener when I have a Jesus that is Savior, that is Lord, that can keep me. If I can't recognize him for who he is, I'll never be able to tap into what he can give me.

Oh. And so letting go of preferences, man. The way we expect Jesus to show up. The way we expect tomorrow to look. Mm-hmm.

Imagine us rejecting God's gift because it's not packaged the way that we deem it to be packaged. So letting go of what we think it should look like is deliverance in and of itself. What is your view on the cost to follow God right now? The cost of our own preferences and expectations, right? Mary went to look for Jesus, and she was weeping.

Oh. And so letting go of preferences. The way we expect Jesus to show up, the way we expect tomorrow to look. Imagine us rejecting- Mm. -God's gift because it's not packaged the way that we deem it to be packaged.

So letting go of what we think it should look like is deliverance in and of itself. What is your view on the cost to follow God right now? The cost of our own preferences and expectations, right? Mm. Mary went- If she wears the Delta symbol, then her first love is DST, and they make you sing that song.

First love? Her first love is DST. Mm-hmm. And they make you sing that song at your wedding right after you took your wedding vows, and they're undoing the covenant you just made at the altar. You're kneeling at the altar, you have your hand on the Bible there, and then you write your name in the book of Delta, and it says, "These vows will follow you to the eternal judgment.

You are about to take upon yourself vows and covenants in which you will never be able to be freed. In the eternal Spirit, true. Pledge my undying love," we say all that. And we say we believe in a spiritual life, but we leave up to the person, the medium, in whichever you wanna insert. We say that.

This could easily be dispelled. Come out and show the people what you did. I don't wanna put the org out. I don't want. You love him more than God.

Tag your pastors. Tag the Christian influencers. What say ye? Some people say everybody that's part of these orgs do not do bad things. I am telling you that they're lying.

There is a national process. Every person has to do what I am saying to you. The underground is what's optional. So it's an initiation. You cannot go enter into the organization without doing this.

Maybe your chapter didn't haze and hit people. Everybody did the rituals. That's why I started with those first. Wow. When you go into the chapter meetings, you have to light that red and that white candle in the chapter meeting.

You can literally go online and watch Aretha Franklin's funeral. You're gonna see them walking down with the red candle, the white candle, to defend this stuff? Oh, no. Do not take God's patience and His tolerance with you to mean He's in agreement with you. He is patient because He loves you.

Mm-hmm. He is patient because He is telling you to repent, and you think that I'm gonna tell you it's cool for this person to do that and that person not to? May the fear of the Lord grip us because judgment has entered, and in the same way you took it out on God's child, He's taking it out on yours. But why it's only the Black organization and it's not the white one. See, the white ones at least got some sense that when they graduate, you don't see them bring this crap into church.

They still wicked and they need to repent, but we're talking about you because that white man ain't gonna be standing next to you when you stand before the Lord. You'll repent if they do? But we don't follow them. We don't follow. You sure?

Because you need a white man to come out and say it's wrong in order for you to turn? You trying to come against Black culture. Since when are white DSTs Black culture anyway? We can't even drink out of a water fountain. You over here learning about Minerva and doing rituals behind the scenes 'cause you wanna be in a white organization and show 'em you can do it better than them.

You made up a god in your own image that likes everything that you likes, and loves everything that you loves, and agrees with you. Let's get into it. If she wears the Delta symbol, then her first love is DST, and they make you sing that song. First love? Her first love is D.

Testimony: Walking in the Spirit

ST. Mm-hmm. The Spirit of God said to me, "Go outside the house. Face so-so direction." Mm. "A big bird is gonna fly across.

Don't allow the bird to shout." A few people came to me and they said to me, "We can give you power and also give you wealth." So while we're talking, right in my presence, they take a piece of sand, put it in a paper, wrap it, and open it. It became a cross. Mm-hmm. That was a strange experience, and I was introduced to what was called the triangular cult. Mm.

But I didn't last there because barely two weeks after that encounter, I met Jesus Christ as my Lord and Savior. But the challenge is, if you pull out, they're gonna kill you, and then that was my first encounter with what the Holy Spirit can do if a man truly knows the Holy Spirit. Mm. Because somebody has to come like a bird, fly over where I live, and then newcomer that I am- Mm-hmm. filled with the Holy Spirit, and I was seated in the room, and the Spirit of God said to me, "Go out-"Outside the house.

Face social direction. A big bird is going to fly across. Don't allow the bird to shout. And then the bird came. Now, I can't speak in tongue long like people speak.

Mm. Just one word was the tongue I had. Because you were only two weeks old or- I was, yes, I was a young convert. Yeah, yeah. So I was shouting the little I know, and then the bird took off.

And that happened about three times, and that was how we had that became. Implication is the guy who was sent as bird- Yes. will die because somebody must die. And he is desperate, nobody wants to die

anyway. So that is where walking in the spirit of God and getting familiar with the Holy Spirit gives you an edge over every other spirit.

Mm. Mm. One of the signs of the apostolic ministry is that if th- if there's evident fruit in terms of songs and territory taking, you have that as a church. Mm. But I believe God is taking this church into another dimension.

Mm. And that dimension is, you know, what you've been teaching for the last few weeks, I believe, where you are called to be salt and light. Mm. Now, salt does not, does not sit in the salt shaker. Mm-mm.

Within the salt shaker, salt is useless. Mm. Salt is only effective when it is- Mm. put in, into the food, in it. Now, you don't put a lot at a time.

You put only a little. When you have too much- Mm. then, uh, uh, uh, somebody will be abusing somebody that- Mm. that the soup was not sweet, isn't it? And so what-- uh, the same thing with.

Listen to this. Anything, uh- Oh. when salt is too concentrated, it is not good. So we are here within the salt shaker. Yeah.

And we're, we're only supposed to be here for Sunday and maybe another day. But listen to this. The power of the church is not in the sitting, it is in the sending. Mm. It is not what the gathered congregation does on Sunday that matters.

It is what a scattered congregation- Mm. what it does on Monday towards Saturday. What do I mean by that? Listen to this. The story of the church is like the story of, uh, football match between Arsenal and Manchester United.

Where, uh, uh, I won't go, I won't even go, I won't tell you which side I support. But the point, the point is this. I-i-in a stadium full of fifty-five thousand fans, what we see happen within the church is twenty-two players, eleven on each side- There was an, like, an experience, you know, where you spoke about the fact that- Mm. you are Samuel, your name is Samuel, and you are here for a David. Yes.

Not knowing that my son was, at that time, you know, doing like, uh, what do they call those things now? Re-doing the video recording in front. And the moment you said that, I looked back because his name is David, and the power of God hit him while he was recording. It just, you know, and he just fell. He was slim, fell flat.

And, you know, uh, something happened to him. You know, I remember after that session, you know, the charge you gave, I was so very enc-encouraged, and I knew that trip was worth it. So I remember saying to you that, "Oh-" Mm. ". while he was recording, it just hit you are Samuel, your name is Samuel, and you are here for a David." Yes.

Not knowing that my son was, at that time, you know, doing like, uh, what do they call those things now? Oh, okay. Re-doing the video recording in front. And the moment you said that, I looked back because his name is David, and the power of God hit him while he was recording. It just, you know, and he just fell.

He was slim, fell flat. And, you know, uh, something happened to him. You know, I remember after that session, you know, the charge you gave, I was so very enc-encouraged, and I knew that trip was worth it.

Mm. So I remember saying to you that, "Oh, you know, um, I must invite you one of these days to our church." Thank God you are here today.

But I want you talked about some things, and Pastor also mentions the fact that you, your birth was quite an interesting one. Mm. Um, I know that apparently your parents were believing God for a child. Your parents had six children. I believe you want to talk about that.

Yes. Yes. I will talk about that, but you mentioned something- Okay. that triggered a thought, which is prophetic timing. Before I- Mm.

The spirit did not come as a whisper. It came as a weight, a weight my body could not bear. I was eaten from the spirit- Mm. Oh, listen now. Mm.

The Help of God

Mm. Help me. You know the greatest thing I've found in life, in thirty-two years of close walk with God- Mm-hmm. No one that said, "God help me"- Mm-hmm. -has God ever denied help.

Say with me, God. God. Help me. Help me. God.

God. Help me. Help me. When it's rough. Rough.

God. God. Help me. Help me. When it's tough.

Tough. God. God. Help me. Help me.

When I don't know what to do. Don't know what to do. God. God. Help me.

Help me. When I'm in trouble. Trouble. God. God.

Help me. Help me. Now in this video, you're going to see how Archbishop Benson Idahosa gave a powerful message that blessed the lives of so many people. In this message, you will hear about how he talked about- Mm-hmm. -the need for the help of God.

Lazarus / John 11 — Even Now

I believe everyone needs the help of God in their life, and this message is gonna be a blessing to you. If this is your first time of coming across my YouTube channel, kindly subscribe so that each time I drop any video, you'll be notified. Now let's watch. For years, I read the story of the death of Lazarus as a story. And a few years ago, the Holy Spirit said to me, "This is God talking to you, and this is God telling you that He is interested in your natural needs." Mm-hmm.

God is concerned about where you are. Mm-hmm. God is concerned about your health. Mm-hmm. God is concerned about your job.

Mm-hmm. God is concerned about your life, your wellbeing. And the heaven can intervene in human affairs. The Holy Spirit said to me, "What Jesus is telling you here is different from what he told Mary and Martha. But with the same power, you can pick up life- Mm-hmm.

-from what happened here." Wow. And I began to pray. Mm-hmm. And one morning, the Lord said to me-Verse. List, list, listen to this verse, and I hope what it did to me, it will do it to you.

Verse 22 of John 11: But I know that even now. Everybody say that with me. I know. I, I didn't hear you say I know. I know.

Say it and if you are not afraid. I know. Oh, God. You are still afraid. I know.

What did you say? I know. You know what? Even now. Pardon?

Even now. Say even now. Even now. Even now what? I know that even now.

Don't be afraid. Say it like a child of God. I know that even now. Huh? I know that even now.

Say it again. I know that even now. Oh, oh, uh, I thank God it's only talking to me. I'm, I'm glad, I'm glad it was for me and not for you. You think this is for you?

Yes. Let's start again. One, two, go from the first line. I know. Excuse me.

What? You do what? I know. People who know they don't talk like that. I know.

Let's start again. I know. Say it again. I know. What do you know?

Even now. I, pardon? Even now. One more. What did you say?

Even now. My donkey, what did you say? I know. Even now. That's my donkey in Atlanta.

I don't need transportation, I have one there. I know. Say that, everybody. I know. That even now.

That even now Now what? Whatsoever thou wilt ask of God. Whatsoever thou will ask of God. How many of you have some ask from God today? Raise your hand and say, I.

I. When do you want to ask it? Now. Say now. Now.

Do you know that? Yes. Do you know that? Yes. Here is a woman that lost the only brother.

No father, no mother, no husband, nothing, and Jesus came to their town. Not their house, their town, their city, their own Atlanta, and she stood before Jesus and said, "But I know, I know if nobody in the city know me, I know that even now." Say now, everybody. Now. Say n- now. Now.

Say now. Now. If God is not in the now, he's not in the past. Hear me carefully. If God is not in the now, he was not-
